MALARIA IN THE SYSTEM

Holly Springs, Miss., March 24, 1903. While building railroads in Tennessee some twelve years ago a number of hands contracted fever and various forms of blood and skin diseases. I carried S. S. S. in my commissary and gave it to my hands with most gratifying results. I can recommend S. S. S. as the finest preparation for Malaria, chills and fever, as well as all blood and skin diseases. W. I. MCGOWAN.

I suffered greatly from Boils, which would break out on different parts of my body. I saw S. S. S. advertised and after using about three bottles I was cured, and for the last three years have had no trouble whatever. A. W. ZIEGLER, 217 Read St., Evansville, Ind.

I began using your S. S. S. probably ten years ago for Malaria and blood troubles, and it proved so good that I have continued ever since using it as a family remedy. It is a pleasure for me to recommend S. S. S. for the benefit of others who are needing a first rate blood purifier, tonic and cure for Malaria. Arkansas City, Ark. C. C. HEMINGWAY.

Boils, abscesses, sores, dark or yellow spots and debility are some of the symptoms of this miserable disease. S. S. S. counteracts and removes from the blood all impurities and poisons and builds up the entire system. It is guaranteed a purely vegetable remedy. Write for medical advice or any special information about case. **SSS** The Swift Specific Company, Atlanta, Ga.
